INTERVIEW SUMMARY

Sir:

Applicants express appreciation to the Examiner for the courtesy of an interview granted to the undersigned attorney, which was held by telephone on August 26, 2010. During the interview, the parties discussed the arguments presented in the Amendment filed August 17, 2010. In particular, the undersigned attorney emphasized that none of the references teach or suggest a portable data storage device arranged to receive from the host a digital signature that is generated using the at least one generated key and the requested data. No agreement with respect to the patentability of the claims was reached.

Respectfully submitted,
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
